Official fuel consumption figures for the Jeep, Renegade range mpg (l/100km) combined: 128.4 (2.2) to 45.6 (6.2). CO₂ emissions: 139 - 41g/km. Fuel consumption & CO₂ figures determined on the basis of the new WLTP test procedure as per Regulation (EU) 2017/1347. Fuel consumption and CO₂ figures are provided for comparative purposes. Only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Jeep, is a registered trademark of FCA US LLC.

Prices, fuel consumption and CO₂ emission figures are correct as of 1st May 2023 and published to our dealer network which may be subject to change. Colours of vehicles shown may not match the actual colour.
